Subject: PFAS-free Container Acceptability Letter - SS/CC unacceptable

Hi RD IO,

Please see the draft acceptability letter for the new PFAS-free container where the SS/CC data are unacceptable. This letter has gone through Erin and Forrest of OGC and is ready for your review. As a reminder, Clarke is really anxious to get this letter signed and from what I gather they recently had their lawyers ping Mike.

Please let me know if you have any questions.

Thanks,
Jackie
